

January 2009:

Dear Junior TCL, and TCL Applicants,

Thank you for your interest in the Training in Christian Living (TCL) ministry. The TCL programs are intensive discipleship ministries designed to train youth to live the Christian life. This short-term mission trip we call TCL, is no doubt challenging physically, spiritually, and emotionally. You will find this experience extremely rewarding as well.

We are committed to the development of each individual's personal walk with Jesus Christ, as well as encouraging community and fellowship. High standards are required from the TCL participants as they model Christ through service and example. If you are considering a challenging short-term missionary journey this summer, consider TCL!

Please take some time to look over the application and pray about your possible involvement this summer. TCL is really an awesome experience and you will be thankful you participated. **Applications are due by April 15, 2009 and selections will be made in May.**

In His service,

Kevin Rasmussen
Director, Camp Ministries
