

January 2010:

Dear TCL Applicants:

Thank you for your interest in the Training in Christian Living (TCL) ministry! Our TCL program has been helping to sharpen young lives for Christ for over 40 years. Through systematic Bible study, prayer and Christian service you will be challenged to live a more dedicated Christian life. It is our prayer that this will be a life changing event for you.

The TCL programs are intensive discipleship ministries designed to train youth to live the Christian life. This short-term mission trip we call TCL is challenging physically, spiritually, and emotionally.

Please note that participants in Junior TCL 2 will be asked to stay late to help with our 50th Celebration on July 31. Details will be sent with confirmation letters.

We are committed to the development of each individual's personal walk with Jesus Christ, as well as encouraging community and fellowship. High standards are required from the TCL participants as they model Christ through service and example. If you are considering a challenging short-term missionary journey this summer, consider TCL!

Please take some time to look over the application and pray about your possible involvement this summer.

Applications are due by April 15, 2010 and selections will be made in May.

In His service,

Kevin Rasmussen
Director, Camp Ministries
